

# JOURNAL OF THE HOUSE

SECOND REGULAR SESSION, 90th GENERAL ASSEMBLY

---

THIRTY-SIXTH DAY, TUESDAY, MARCH 7, 2000

Speaker Pro Tem Kreider in the Chair.

Prayer by Father David Buescher.

God of our families, our state, our nation, our world, grace these halls with Your friendship. We call today "Fat Tuesday". Let this day be fat in faith in You, fat in reliance on Your generous help, fat in a surfeit of generosity, justice, peace for the good of others.

Let our reveling be that we have the singular opportunity of being part of building the laws of our land, a privilege beyond our own ego needs. May we revel in the character behind our legislature and beyond any laws - the spirit of common human dignity and the bonds of mutual respect. To employ time and energy for that today, God, will make this day one of delight. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Cooper McCollum, Trey Crockett, Melissa Wergeles, Heather Sherrer, Erin Harlan, Lane Quinn, Dalton Fuemmeler, Jearmy McCubbins, Erika Camden, Sarah Petroff, Mike Gaspersic, Stephen Hobbs, Hannah Schnitzmeier and Shay Weaver.

The Journal of the thirty-fifth day was approved as printed by the following vote:

## MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 27**.

### SENATE CONCURRENT RESOLUTION NO. 27

WHEREAS, Missouri producers must have readily available markets in order to remain competitive in the agriculture industry; and

WHEREAS, the ongoing trend of consolidation and mergers in American agriculture economy is having an adverse impact on Missouri farmers and ranchers; and

WHEREAS, farmers' and ranchers' concerns are highlighted by the recent court injunction on the purchase of Murphy Family Farms, Inc. assets in Missouri by Smithfield Foods, Inc.; and

WHEREAS, other Midwestern states have raised similar concerns about the same transaction and have received similar court rulings; and

WHEREAS, this transaction is but one example of the level of interest in antitrust issues particularly within the agricultural sector of the economy; and

WHEREAS, competition remains critical for agricultural producers for the inputs they purchase and the products they sell; and

WHEREAS, the absence of competitive markets not only hurts farmers but ultimately will hurt consumers as well; and

WHEREAS, these anti-competitive forces are not targeted at specific states, but are more regional, national and in some cases, international in nature; and

WHEREAS, the Missouri legislature believes Congress, the United States Department of Agriculture and the United States Department of Justice should do more on consolidation and concentration issues in the agricultural sector; and

WHEREAS, in the absence of action by Congress, several state legislatures are pursuing ways to combat the anti-competitive forces currently at work in the agriculture markets; and

WHEREAS, Missouri lawmakers' concerns are heightened by the importance of agriculture to Missouri's rural communities; and

WHEREAS, Missouri lawmakers believe that consolidation and concentration issues of this magnitude demand prompt attention by lawmakers and regulators at the federal level:

NOW THEREFORE BE IT RESOLVED that the members of the Senate of the Ninetieth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby call upon the 106th Congress of the United States to immediately:

1. Expand the United States Department of Agriculture's role in evaluating agribusiness mergers and acquisitions;
2. Encourage the appointment of an Assistant Attorney General at the Department of Justice with the sole responsibility of handling agriculture mergers and acquisition;
3. Provide additional resources to expand the capability of the Grain Inspection, Packers and Stockyards Administration (GIPSA) to monitor, investigate and pursue the competitive implications of structural changes in the meat packing industry;
4. Support an increase in the staff of the Transportation, Energy and Agriculture section of the Department of Justice;
5. Prohibit the enforcement of confidentiality clauses in livestock production contracts and grain production contracts except to the extent that a legitimate trade secret is being protected;
6. Allow GIPSA to seek reparations for producers when a packer is found to be engaged in predatory or unfair practices;
7. Provide contract poultry growers the same protections as livestock producers by extending the powers of GIPSA to cover live poultry dealers;
8. Authorize a statutory trust for the protection of cash sellers to livestock dealers;

9. Consider any other measure that will lead to greater competition within the United States' agricultural sector; and

BE IT FURTHER RESOLVED that the Missouri General Assembly requests the United States Department of Agriculture to form a task force, a majority of the members being actual farmers and ranchers, to review and recommend changes in the Packers and Stockyards Act; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for the Missouri Congressional delegation, the United States Department of Agriculture, and the United States Department of Justice.

In which the concurrence of the House is respectfully requested.

On motion of Representative Crump, the House recessed until 3:00 p.m.

### **AFTERNOON SESSION**

The hour of recess having expired, the House was called to order by Speaker Gaw.

AMEND House Substitute for House Committee Substitute for House Bill No. 1076, Page 6, Section B, Line 8 of said page, by adding after all of said line, the following:

“Section C. Chapter 170, RSMo, is amended by adding thereto one new section, to be known as section 170.014, to read as follows:

**170.014. 1. This section shall be known as the "Reading Instruction Act" and is enacted to ensure that all public schools provide developmentally appropriate phonics instruction in grades kindergarten through three as a significant component of a program of balanced reading instruction and that all teachers who teach reading in grades kindergarten through three receive adequate training in the teaching of developmentally appropriate phonics.**

**2. As used in this section, the following terms mean:**

**(1) "Grammar", the rules and conventions of standard English, including the construction of sentences, the classification, derivation and properties of words, and spelling;**

**(2) "Phonics instruction", the teaching of sound-symbol correspondence and the rules and generalizations that govern these correspondences, including phonemics, which is the recognition of the boundaries of phonetic elements;**

**(3) "Developmentally appropriate", instruction and interaction within the age and developmental level of the learner, as ascertained by the best current research.**

**3. Developmentally appropriate phonics instruction shall be provided in every public school in the state in grades kindergarten through three as a significant component of a program of balanced reading instruction. Nothing in this act shall be construed to require that every child be taught phonics; however, developmentally appropriate phonics instruction shall be available in every elementary school building.; and**
